33 Semampir Tengah II A Street, Medokan Semampir, Sukolilo, Surabaya

I am Naufal Farras Wahyuntitof, a 5th-semester IT student, with a focus on creating engaging digital experiences. I am interested in Front-end Development, Web Design, UI/UX, and Graphic Design. I believe that design is a fusion of creativity and functionality that influences user interaction. I am always ready to learn and grow to apply creativity and technical knowledge in upcoming IT projects.

Work Experience

GameVerse Web - Surabaya

May 2023 - Jun 2023

Laravel (php)

EAS Web project in a course where my team and I develop a web platform for a game store.

- Designing the user interface (UI) for the GameVerse website, focusing on aesthetics, usability, and user engagement.
- Adapting the user experience (UX) by paying attention to intuitive navigation, proper element placement, and ease of use.
- Collaborating with team members to develop and implement designs according to user needs and expectations.

Parking Web - Surabaya

Feb 2023 - Mar 2023

Laravel (php)

ETS Web project in a course involving the development of a parking system for a mall.

- Acted as a front-end developer in developing a responsive and user-friendly user interface (UI).
- Handled the database structure to efficiently store and manage parking system information.
- Gained a deep understanding of back-end functionalities and took part in learning critical aspects of back-end development.

I Trust - Surabaya

Oct 2022 - Dec 2022

Figma UI/UX

Creating User Personas, User Flows, Storyboards, Wireframes, and User Interface (UI) Design for the I Trust application.

- Actively involved in creating User Personas to define the profiles and needs of application users.
- Responsible for creating Wireframes to establish the basic framework of the application layout.
- Engaged in UI/UX design aimed at creating an attractive and functional interface for users in the I Trust application.

Farrs Print - Jombang

Sep 2019 - Feb 2020

Owner

- Leading Farrs Print, focusing on designing and producing banners, stickers, and Polaroid photos to meet client needs.
- Developing designs according to customer preferences, ensuring the final outcome reflects the desired vision.
- Ensuring the production stages meet quality standards for a satisfying end result.

ZieBEst Digital Printing - Mojokerto

Jul 2019 - Nov 2019

Internship Participant

This company operates in the digital printing industry.

- Graphic Designer. Collaborating with clients to create compelling banner designs that meet their needs. Ensuring client satisfaction by paying attention to details and specific requests.
- Banner Printing Machine Operator. Operating banner printing machines with high accuracy. Responsible for producing over 100 sheets of banners with consistent quality and timely delivery.
- Relief Cashier. Responsible for cashier replacement, providing friendly and efficient customer service to maintain store operations smoothly according to the specified schedule.
